Supplement to the

"Proceedings of the Indian Academy of Sciences"

INDEX TO VOL. L—(B)

AUTHORS' INDEX

Abichandani, C. T. ..	*See* Tanaka and others.
Datta, N. C., Krishnan, L. S. and Rao, M. V. Radhakrishna	Dietetic hepatic lesions. Influence of protein level and vitamin B_2 complex deficiency, on the liver of rats, 340.
Ganguly, D. ..	*See* Padmanabhan and Ganguly.
Gupta, S. C. and Pandey, D. K.	Studies in pectic enzymes of parasitic fungi, II, 75.
Job, S. V. ..	The metabolism of *Plotosus anguillaris* (Bloch) in various concentrations of salt and oxygen in the medium, 267.
John, (Miss) Rachel ..	Studies in the Indian aquatic fungi, III, IV, 253, 259.
Kewalramani, H. G. ..	*See* Menon and Kewalramani.
Khattar, Narain ..	*See* Mathur and Khattar.
Krishnan, L. S. ..	*See* Datta and others.
Lal, Rattan ..	*See* Narayanan and others.
Mathur, P. N. and Khattar, Narain	Morphology of the head capsule and mouth parts of *Anthia sexguttata* Ho. (coleoptera, adephaga, carabidæ, harpalinæ, anthiini, 1.
Menon, Miss M. and Kewalramani, H. G.	Studies on some physiological aspects of digestion in three species of elasmobranchs, 26.
Mirashi, M. V. ..	Contribution to our knowledge of the physiological anatomy of some Indian hydrophytes, IX, 46.
Mulgaonkar, Anand, G. and Srinivasan, A.	Alterations in rat serum proteins in relation to dietary proteins and B vitamins, II, 51.
Narayanan, E. S., Lal, Rattan, Rahalkar, G. W., Sethi, G. R. and Saxena, P. N.	Studies on the effect of beta radiations on insects, I, 82.
Padmanabhan, S. Y. and Ganguly, D.	Breeding rice varieties resistant to blast disease caused by *Piricularia oryzæ* Cav., I, 289.

Pandey, D. K.	..	*See* Gupta and Pandey.
Parameswaran, N.	..	A contribution to the embryology of *Theriophonum minutum* Engl., 15.
Patnaik, S.	..	*See* Tanaka and others.
Rahalkar, G. W.	..	*See* Narayanan and others.
Rangaswami, G. and Venkatesan, R.		Studies on the microbial spoilage of canned food, I, 349.
Rao, M. V. Radhakrishna	..	*See* Datta and others.
Sankaram, A.	..	Examination of commercial legume inoculants for quality, 40.
Saxena, P. N.	..	*See* Narayanan and others.
Sethi, G. R.	..	*See* Narayanan and others.
Sreenivasan, A.	..	*See* Mulgaonkar and Sreenivasan.
Sreenivasan, V. V.	..	Two species of wood-boring pholads of Madras, 105.
Subrahmanyan, R.	..	Studies on the phytoplankton of the west coast of India, I, II, 113, 189.
Tampi, P. R. S.	..	On the renal unit in some common teleosts, 88.
Tanaka, A., Patnaik, S. and Abichandani, C. T.		Studies on the nutrition of rice plant (*Oryza sativa* L.), VI, VII, 61, 305.
Usha Sharma	..	Further contributions to our knowledge of *Isætes Sampathkumarani* Rao, L. N., II, 319.
Venkatesan, R.	..	*See* Rangaswami and Venkatesan.

TITLE INDEX

Anthia sexguttata Ho. (coleoptera, adephaga, carabidæ, harpalinæ, anthiini, head capsule and mouth parts of, morphology of (Mathur and Khattar), 1.

Canned food, microbial spoilage of, studies, I (Rangaswami and Venkatesan), 349.

Elasmobranchs, three species of, some physiological aspects of digestion in, studies (Menon and Kewalramani), 26.

Fungi, Indian aquatic, studies in, III, IV (Miss John), 253, 259.

Fungi, parasitic, pectic enzymes of, studies in, II (Gupta and Pandey), 75.

Hepatic lesions, dietetic. Influence of protein level and vitamin B_2 complex deficiency on the liver of rats (Datta and others), 340.

Hydrophytes, some Indian, contribution to our knowledge of the physiological anatomy of, IX (Mirashi), 46.

Insects, effect of beta radiations on, studies, I (Narayanan and others), 82.

Isætes Sampathkumarani Rao, L. N., our knowledge of, further contributions to, II (Usha Sharma), 319.

Legume inoculants, commercial, examination, for quality (Sankaram), 40.

Pholads, wood-boring, two species, of Madras (Srinivasan), 105.

Phytoplankton of the west coast of India, I, II (Subrahmanyan), 113, 189.

Plotosus anguillaris (Bloch), metabolism, in various concentrations of salt and oxygen in the medium (Job), 267.

Rat serum proteins, alterations, in relation to dietary proteins and B vitamins, II (Mulgaonkar and Sreenivasan), 51.

Rice plant (*Oryza sativa* L.), nutrition, studies, VI, VII (Tanaka and others), 61, 305.

Rice varieties resistant to blast disease caused by *Piricularia oryzæ* Cav., breeding, I (Padmanabhan and Ganguly), 289.

Teleosts, some common, on the renal unit in (Tampi), 88.

Theriophonum minutum Engl., embryology of, a contribution to (Parameswaran), 15.
